Operating System(s)

Note: I'm comfortable using either OS but prefer Linux when possible

- Elementary OS Hera 5.1 (Ubuntu 18.0.4 LTS)
- Windows 10 Insider build

MIDI Controllers

- Roland DJ202 (DJ controller, jog wheels, pots, buttons etc.)
- Alesis Q25 (simple keyboard, 25 keys, mod/pitch wheels)
- Akai APC20 (layout made for Ableton control)
